

# Students for the academic year 2020 without a Student SMART ID Card (debit card)

Apply for your SMART ID Debit Card easily

via the  app by following the easy steps below.

SCB EASY

## Student SMART ID Card (debit card) Issuing Process

Prepare your SCB savings account

- If you have already had an SCB savings account, you can use your existing account. If you want to open a new account, please contact any SCB branch nationwide, or open an online savings account (no passbook) via the SCB EASY App.
- If you never have an SCB savings account, please contact any SCB branch nationwide, or open an online savings account (no passbook) via the following channels:
  - Open an account by validating your identity 7-Eleven
  - Open an account by validating your identity at SCB ATMs
  - Open an account by validating your identity using the NDID feature via other mobile banking apps

STEP 1

**Notes :** Opening an account at SCB branch will require a minimum deposit of 500 baht. (Opening an account with a zero balance will require the university's referral letter to allow the "zero-balance account" condition permitted only one account per customer).

SCB EASY
